decision of the representative of the Managing Authority signing the contract, which will be notified to the LB/beneficiaries, and which becomes part of the contract.

- 6) The LB must create and submit to Joint Secretariat (JS) the project report including both financial and physical progress of the project via the electronic system integrating the information provided by each partner in their reports, based on the conditions provided hereunder, in the Project Implementation Manual, e-MS manual and in the applicable legislation. The partners will create partner reports and submit them to FLC for all defined periods within the electronic system no matter if they have realized or not expenditures to be requested to FLC verifications during a specific period. The description of the progress of the activities in partner reports will cover exactly the period of the requests for FLC verifications.
- 7) The project report submitted by the LB shall contain only validated expenditure and shall be supported by the First Level Control Report issued by the Controllers of the Project Partners. The expenditures that were not validated by the controllers are deemed to be non-eligible for the programme and shall not be requested for reimbursement.
- 8) In addition to the project progress report mentioned in paragraph 1 the LB shall submit progress reports to the JS every 3 months including only physical progress. The instructions presented in the reporting models must be followed exactly. All reports must be submitted in English.
- 9) The funds are reimbursed only in Euro and will be transferred into a special bank account opened exclusively for the project, indicated by the LB. The exchange rate differences are non-eligible expenditures for the project. The exchange rate risk is borne by the partner concerned.
- 10) The expenditure incurred in a currency other than the euro shall be converted into euro by using the monthly accounting exchange rate of the Commission in the month during which that expenditure was submitted for verification to the first level controller. The LB transfers the received ERDF amounts to all partners within 5 working days as of cashing in the amounts from the MA and will make no deduction, retention or further specific charge from the ERDF amounts it receives.

§ 7 Rights and duties of the parties

A. Lead Beneficiary

In addition to the obligations of the LB as already stated, the LB undertakes the following duties:

- 1) The LB guarantees that it is entitled to represent all beneficiaries participating in the project and that it has established with its project partners the division of the responsibilities regarding the project in the form of the Partnership Agreement.
- 2) The LB has the responsibility of implementing the project according to the provisions of the Subsidy contract, of the Concept Note and its annexes approved by the Monitoring Committee, of the present Partnership Agreement (annexed to the Subsidy contract) and of the national and European legislation in force. The LB shall be responsible in front of the MA for the implementation of the obligations assumed in the contract and in the Partnership Agreement, for the implementation of the project and for achieving the goals stipulated in the contract and its annexes.
- 3) The LB guarantees furthermore that itself and all beneficiaries have complied with all legal requirements and that all necessary approvals for the proper implementation of the project have been obtained.

- 4) The LB ensures the implementation of the entire project and has to:
 - a. assume responsibility for ensuring implementation of the entire project;
 - b. ensure that expenditure presented by all Project Beneficiaries has been incurred in implementing the project and corresponds to the activities agreed between all the Project Beneficiaries, and is in accordance with the provisions of the Subsidy contract;
 - c. inform the MA, within 5 working days from the occurrence of such circumstances, if one of the disbursement conditions ceases to be fulfilled, or circumstances arise which entitle the MA to reduce payment or to demand repayment of the subsidy wholly or in part;
 - d. comply with the regulations referred to in the preamble to this contract as well as with relevant national and European legislation;
 - e. know and observe the provisions of the Guide for Applicants (GfA) for Flagship Projects, paying special attention to the limitations (value, percentage, duration etc) referred to therein, and of the Subsidy contract;

 - g. make and satisfy itself that all Project Beneficiaries make all expenditure according to the national laws on public procurement of the country on whose territory the beneficiary is located. The Romanian beneficiaries which are not stipulated as Contracting authority in the respective laws or in special laws regarding procurement should follow at least the general principles stated in the Programme' rules on eligibility of expenditure;
 - h. ensure that all the Project Beneficiaries select the final beneficiaries of the projects (target groups) by a transparent procedure;
 - i. make sure that it receives the contribution of all Project Beneficiaries, in a maximum of 15 working days after the end of the reporting period, so that the deadline for submitting the progress reports to the JS will be met;
 - j. present its own expenditure, and ensure that the Project Beneficiaries present their expenditures, to the controllers for verification, in maximum 15 working days after the conclusion of the Subsidy contract for the implementation of Full Application. Requests for first level control not accompanied by appropriate supporting documents will not be taken into consideration;
 - k. ensure that all Project Beneficiaries submit their contributions to the reimbursement claim at least 10 working days before the deadline for submitting the reimbursement claim to the JS;
 - l. ensure that all Project Beneficiaries have a proper analytical accounting system and the expenditure is properly registered; the accounting system must be in line with the national legislation;
 - m. observe and make sure that all Project Beneficiaries observe the provisions of the Visual Identity Manual (published on the programme website www.interreg-rohu.eu).
- 5) The LB ensures that the first level controllers have verified the expenditure presented by the Project Beneficiaries participating in the project.
- 6) When drafting the reimbursement claim, LB is liable towards the MA for consolidating the information from all Project Beneficiaries requesting reimbursement of the expenditure,

being responsible for collecting documents and information from every partner. When the reimbursement claim is submitted LB shall also submit a consolidated project progress report, being responsible for collecting documents and information from every partner. The LB is also responsible for submitting physical reports every three months.

- 7) LB is liable towards the MA for ensuring that all of its beneficiaries have a legal status, that they have the capacity to manage the project, that they observe the provisions from the GfA. Moreover the LB is liable towards the MA for ensuring that its beneficiaries fulfil their obligations regarding the implementation of the project. The LB is also liable towards the MA for all irregularities, even those committed by the Project Beneficiaries.
- 8) The LB must answer all written requests from the MA, JS or other bodies involved in the implementation of the Programme within the deadline stipulated in the respective request. The LB is responsible for gathering the information from all beneficiaries in due time.
- 9) The LB takes full responsibility for the damages caused to third parties from its own fault during the implementation of the project. The MA has no responsibility for the damages caused to third parties as a result of executing the contract.
- 10) The LB must not receive or have received money from other Programmes for the same project. The LB ensures that the Project Beneficiaries respect the same obligation.
- 11) Any results or rights related to the project, including author's rights and/or any other intellectual or industrial property rights, obtained from the implementation or as a result of the implementation of the contract, except the cases where such rights exist before the contract, shall represent the property of the LB and/ or its partners, according to the approved application form and the present agreement.
- 12) The Lead Beneficiary understands and agrees that the MA has delegated tasks to the JS, and therefore the Lead Beneficiary agrees to cooperate with the JS in the same way as with the MA.
- 13) If the MA demands repayment of the ERDF in accordance with the Subsidy contract, the LB is liable to the MA for the total ERDF that has been reimbursed to him.
- 14) The LB is at all times obliged to retain for audit purposes all files, documents and data about the project on customary data storage media in a safe and orderly manner. The LB guarantees that all of its Project Beneficiaries fulfil this duty.
- 15) During the implementation period of the project as well as after the end of the implementation period of the project, for a 3 years period after the official closure of the Interreg V-A Romania-Hungary Programme, the LB has the obligation to preserve and to present, to the Joint Secretariat (within the Regional Office for Cross-Border Cooperation Oradea for Romania-Hungary Border - BRECO, Romania), MA, Certifying Authority (within the Romanian Ministry of Regional Development, Public Administration and European Funds), Audit Authority (within the Romanian Court of Accounts), European Commission (EC), European Court of Auditors and any other body designated to perform controls or audits on the use of the financing, all project documents, including the inventory for the actives gained as a result of using the funds. The time period shall be interrupted either in the case of legal proceedings or by a duly justified request of the Commission. The documents must be properly archived. Also, the MA must be informed on the location of these documents.

- 16) The LB must observe the recommendations received after an audit, control, otherwise the MA has the right to terminate the Subsidy contract. The LB ensures that the Project Beneficiaries fulfil this obligation.

B. Project Beneficiaries (including the Lead Beneficiary where applicable)

- 1) LB/PB implements the part of the project for which it is responsible, in due time, according to the descriptions of the (individual components) Concept Note approved by the Monitoring Committee and other documents agreed between the MA and the LB.
- 2) The Project Beneficiary has the responsibility of implementing the project according to the provisions of the present Agreement, of the national and European legislation in force.
- 3) PB notifies the Lead Beneficiary regarding any situation that may lead to the temporary or permanent impossibility or to any other drawback in the implementation of the project in maximum 3 working days from the event causing the impossibility.
- 4) LB/PB observes the national and European legislation in general and especially on public procurement, state aid, equal opportunities, sustainable development and environmental protection.
- 5) LB/PB is responsible for its budget up to the amount it participates in the project.

- 8) The Project Beneficiaries have the obligation to respond to any request of the Lead Beneficiary in the deadline stipulated in the respective requests.
- 9) Each Project Beneficiary is responsible for uploading in the electronic system the progress report and any other documents, including copies of each supporting document (bills, documents related to the procurement procedure, bank account statements etc.) in due time and signed by the legal representative of the beneficiary, bearing the mentions "according to the original" and also the project code.
- 10) Each Project Beneficiary must submit to the Lead Beneficiary any documents necessary for drafting specific documents requested by the MA/JS or other implementing bodies of the programme.
- 11) Each Project Beneficiary must submit to the Lead Beneficiary to submit his contribution to the reimbursement claim at least 10 calendar days before the deadline for submitting the reimbursement claim to the JS.
- 12) The Lead Beneficiary and any Project Beneficiary will produce all documents required for the audit, control or evaluation, provide necessary information and give access to its business premises. The Lead Beneficiary and the Project Beneficiary are at all times obliged to retain for audit and control purposes all files, documents and data about the project for 3 years from official closure of Interreg V-A Romania-Hungary Programme. The documents must be properly archived. Also, the MA must be informed on the location of these documents.
- 13) The Project Beneficiaries must implement the measures included in the action plan, at

the stipulated deadlines, set by the Lead Beneficiary/MA/JS, according to the recommendations resulted from the audit missions of the European Commission, Audit Authority or other empowered audit and control bodies.

- 14) All Project Beneficiaries understand that the Managing Authority (MA) and the National Authority (NA) are entitled to verify and to control the proper use of funds by the LB or by Project Beneficiaries. The verifications to be carried out by the Managing Authority/National Authority shall cover administrative, financial, technical and physical aspects of projects, as appropriate. The MA and NA shall be responsible for the control of the proper use of funds by the LB or by beneficiaries, by preventing, detecting and correcting irregularities and recovering amounts unduly paid together with interest on late payments where appropriate.
- 15) The Project Beneficiaries understand and agree that the MA may delegate tasks to the JS, therefore JS may act in the name and on behalf of MA.
- 16) In case an irregularity is discovered, the Project Beneficiary is responsible to reimburse the ERDF amounts affected by the irregularity to the Lead Beneficiary, even if the irregularity was committed by a sub-contractor, in 20 calendar days from notification.
- 17) Any extra payment done by the Lead Beneficiary to a Project Beneficiary is considered unduly paid amount, and the Project Beneficiary has to repay the respective amounts in 20 calendar days from the receiving date of the notification from the Lead Beneficiary.
- 18) In case the unduly paid amounts are not reimbursed to the Lead Beneficiary in due time, the Project Beneficiary has to pay delay penalties. Starting with the 21st day as of the expiry of the deadlines stipulated at paragraphs 16, 17, an interest rate 1.5% higher than the rate applied by the European Central Bank as in force on the first working day from the month of the deadline date shall be applied to the owed amounts.
- 19) The bank charges resulted from reimbursing the unduly paid amounts are borne exclusively by the Project Beneficiary making the reimbursement.
- 20) Each Project Beneficiary, including the Lead Beneficiary, shall be responsible to the other Project Beneficiaries and shall pay for the damages resulted from not observing the tasks and obligations established by the present Agreement and its annexes.
- 21) Each Project Beneficiary is responsible for the damages caused to third parties from its own fault during the implementation of the project.
- 22) LB/PB participates at the setting up of the Joint Steering Committee of the Project and at drafting its rules of procedure.
- 23) PB informs the LB, according to the provisions of the Project Implementation Manual, 15 working days before the date when intend to launch a public procurement procedure, in case the estimated value of the public procurement contract is below the thresholds mentioned in the applicable national legislation with up to 1.000 euro.

§ 8 Steering Committee of the Project

- 1) The parties shall set up a Steering Committee of the Project, made up of representatives of all Project Beneficiaries and other relevant stakeholders (legal entities) at local/county/regional level, which shall supervise the proper implementation of the

project and perform any other tasks stipulated in the rules of procedure for this committee.

- 2) The Lead Beneficiary is responsible for setting up the Steering Committee of the Project before the sole reimbursement claim is submitted.
- 3) The tasks of the Steering Committee of the Project shall be established through the Rules of Procedure of this Committee and shall automatically include the tasks stipulated in this Agreement:
 - a. responsibilities of each entity involved;
 - b. settle of any dispute between partners;
 - c. prepare the list with members of the arbitration court;
 - d. terminate the Partnership Agreement.

§ 9 Publicity

- 1) The Lead Beneficiary must inform and must ensure that all Project Beneficiaries inform the public, by means of the measures laid down in Annex XII of Regulation (EU) no. 1303/2013, about the assistance obtained from the Funds.
- 2) The Lead Beneficiary and all Project Beneficiaries are responsible for the implementation of the information and publicity activities related to the non-reimbursable financial assistance received through the programme.
- 3) The Lead Beneficiary must ensure and must satisfy itself that all Project Beneficiaries ensure transparency and accurate information to the mass media on the projects financed under the Programme.
- 4) All information and publicity actions developed by the Project Beneficiaries (including the Lead Beneficiary) must observe the Visual Identity Manual (available on the programme website: www.interreg-rohu.eu).
- 5) The Project Beneficiaries shall request beforehand the approval by the JS for all information and publicity measures developed under the project, in compliance with the provisions of the Visual Identity Manual.
- 6) The LB ensure the proper means of communication between the project and the programme, including:
 - a. participation, whenever requested, in LB trainings organized by the JS;
 - b. participation, whenever requested, in other events organised by the Programme with the purpose of presenting/ discussing/ developing/ sharing project results and creating synergies with other projects and relevant organisations.

§ 10 Confidentiality

- 1) The Managing Authority and the Lead Beneficiary undertake to preserve the confidentiality of any document, information or other material communicated to them in confidence until at least five years from the official closure of the Programme.
- 2) As an exception from the rules provided in the previous paragraph, the data used for publicity purposes, for informing on and promoting the use of ERDF funds, shall not be considered as having confidential status.
- 3) The Managing Authority has the right to release information regarding the project on request by public institutions, investigating the project.
- 4) The contracting party shall bare no responsibility for releasing information on the contract if:
 - a. the information was released with the written agreement of the other contracting party; or
 - b. the contracting party was legally forced to release the information.
- 5) Failing to observe the confidentiality obligation gives the damaged party the right to claim compensations from the damaging party.

§ 11 Conflict of interests

- 1) In the present Contract, the conflict of interests represents any circumstances defined as such in the national/European legislation.
- 2) Any conflict of interests that arises during the implementation of the contract shall be immediately notified to the JS. The MA reserves the right to verify such circumstances and take the necessary measures, where necessary.

§12 Irregularities and recovery of the funding

- 1) “Irregularity” according to the current Contract means any breach of the Union law, or of the national law relating to its application, resulting from an act or omission by an economic operator involved in the implementation of the ESI Funds, which has, or would have, the effect of prejudicing the budget of the Union by charging an unjustified item of expenditure to the budget of the Union.
- 2) MA shall show zero tolerance to any suspected cases of fraud and shall take all necessary measures to prevent and correct such cases, according to relevant national and European legislation in force.
- 3) In case of irregularity, the MA shall impose to the Lead Beneficiary all the necessary measures for the elimination or diminishing of the consequences on the implementation of the project.
- 4) MA may suspend or terminate the contract in case the beneficiaries fail to take the imposed measures.
- 5) In case an irregularity is committed, the LB is responsible for repaying to the MA the amount affected by the irregularity, even if the irregularity was committed by one of the project partners.
- 6) The MA is entitled to take the decision for suspending/terminating the contract, after verifying the reasons and any relevant documents presented by the LB and/or JS and the related documents.
- 7) In case the contract shall be terminated, the MA notifies the LB regarding this decision and the related financial measures. In this case, within 30 days from receiving such

notification, the LB and/or project beneficiaries shall fully return the amounts specified in the notification, without deducting any bank charges.

8) For the irregularities committed by a project beneficiary, the LB is entitled to request these amounts from the responsible project beneficiary in order to be repaid to the MA. In specific cases, for irregularities discovered after payment of the final project report, the partners may repay the due amounts directly to the MA, notifying the LB about this option.

9) If the Lead Beneficiary does not manage to recover the unduly paid ERDF contribution from the project beneficiaries, it will inform the MA and will send all necessary documents for the MA to be able to take all necessary measures stipulated by the legislation in force.

10) Any extra payment done by the MA is considered unduly paid amount, and the LB has to repay the respective amounts within 30 days from the receipt date of such notification from the MA.

11) In case the irregularity is discovered before the final payment, the MA is entitled to diminish the reimbursed amount starting with the next payment until the total recovery of the debt, to which the bank charges are added.

12) In case the irregularity resulting in an unduly paid amount is discovered after the final payment or the debt was not entirely recovered, the MA shall notify the LB regarding the unduly paid amount, and the LB has the obligation to return, within 30 days as of the receiving date of the notification, the amount, including bank charges.

13) The final payment will be made only after the recovery of any known debts from the Lead beneficiary and/or any other beneficiary of the project;

14) In duly justified cases and based on a statement given by the LB in which he takes the responsibility to transfer the debt amount to the MA in 5 days from the date the final payment is paid by MA, the MA can transfer the amounts related to the final project report.

15) Starting with the 31st day as of the expiry of the deadlines stipulated at paragraphs 7, 10, 12 an interest rate bigger with one and a half points than the rate applied by the European Central Bank as in force on the first working day from the month of the deadline date shall be applied to the owed amounts.

16) In case financial corrections are applied by the European Commission to the Programme with regard to the performance framework, according to Article 22 of Regulation (EU) No. 1303/2013, and based on the provisions of Commission Implementing Regulation (EU) No 215/2014, the Managing Authority may decide to cover the financial correction from the projects' budgets which have not achieved their indicators.

17) In case the European Commission applies financial corrections to the Programme on the basis of extrapolation or flat rate, the Managing Authority may decide to cover these corrections from the projects' budgets, concerned by the corrections.

18) In case of observations and/or reservations raised by the Commission on the description of the Management and Control System of the Interreg V-A Romania-Hungary Programme or in case of a system error detected, the MA has the right to temporarily withhold payments to a particular partner (LB or PB) or the project as a whole. Payment suspension(s) shall be lifted as soon as observations and/or reservations raised by the Commission have been withdrawn and the MA has received sufficient evidence on the solution of the systemic error(s) detected.

§ 13 Disputes between beneficiaries

Should any dispute arise between Lead Beneficiary and/or any other beneficiary of the project, each Project Beneficiary shall be obliged to submit the dispute to the Steering Committee of the Project in order to reach a settlement.

- 1) Should the Steering Committee of the Project fail to reach a compromise, Lead Beneficiary and/or any other partner of the project shall be obliged to request and accept arbitration carried out by an ad-hoc arbitration court. This will consist of two people of both nationalities, appointed by the Steering Committee of the Project from the list of persons nominated beforehand. Should this committee fail to designate all the expert arbitrators within one month from the Lead Beneficiary's request, the Lead Beneficiary shall have the authority to appoint both expert arbitrators.
- 2) Lead Beneficiary and/or any other beneficiary of the project shall be obliged to accept and apply the decisions of the arbitration court, subject to the applicable law hereby agreed upon and in compliance with the provisions of the Community law.
- 3) Any dispute that, from any reason, fails to be solved by the Steering Committee of the Project and which involves the Lead Beneficiary shall be governed by the law applicable to the Lead Beneficiary, while, if the Lead Beneficiary does not take part in the dispute, the applicable law is the one of the petitioner.

§ 14 Assignment, legal succession

- 1) The Lead Beneficiary and/or any other partner of the project cannot renounce totally or partially the rights and obligations resulted from the present Partnership Agreement unless it has the clear agreement of the Steering Committee of the Project.
- 2) In case of legal succession, e.g. where the LB and/or any other PB changes its legal form, the LB and/or any other partner of the project is obliged to transfer all duties under this contract to the legal successor. The LB and/or any other PB shall notify the MA, via JS, about any change with 15 working days beforehand.

§ 15 Amendment of the Agreement

- 1) Any modification to the present Agreement is made only with the agreement of all parties and takes the form of an addendum to the present Agreement.
- 2) As an exception from the provisions of paragraph 1, the LB/PB may make the following changes, with the timely notification of the other partners:
 - i. change of headquarter may be done and shall be forwarded to the MA within 15 calendar days following the change of address;
 - ii. material errors in the text of the agreement, notified to the MA immediately upon correction.
- 3) Addenda enter into force the next day after their signing by the last party, except the case when the addendum confirms modifications occurred in the national/European applicable legislation with impact on the implementation of the present Agreement, modifications that become effective from the date the respective legal acts enter into force.

§ 16 Termination of the Agreement

- 1) In exceptional and duly justified cases, including “force majeure”, the Lead Beneficiary may decide on terminating the Agreement, by a written notification, the obligations the parties have towards the MA remaining valid until the MA or the Monitoring Committee decide to terminate the Subsidy contract.
- 2) The termination of the Subsidy contract is possible only with prior approval of the MA or of the Monitoring Committee, according to each case. In such case the Partnership Agreement will be also terminated.
- 3) The Agreement is terminated, by decision of the Steering Committee of the Project, at the proposal of a Project Beneficiary, without any other delay or formality, the Project Beneficiary being obliged to repay to the Lead Beneficiary the amounts already received, in whole, in the following cases:
 - a. an inconstancy between the reality and the declarations of the beneficiary in the Application Form is found, regarding the financing of the project from national or European public funds, or regarding the financing from other national or European programmes;
 - b. the subsidy awarded has been partially or entirely misapplied for other purposes than those agreed upon, including 5 years after the financial closure of the project;
 - c. a Project Beneficiary closes down, unless the project beneficiary is replaced and the project can be continued in accordance with the programme rules;
 - d. in case the project is no longer eligible, if during its implementation such modifications appear that affect the implementation conditions / create for a third party an unjustified advantage, or if the modification is the result of a change in the nature of the property/ ceasing/ change of the location of the investment;
 - e. a Project Beneficiary did not notify the Lead Beneficiary in due time on a case of conflict of interests or the necessary measures for ending such a situation were not taken;
 - f. the Project Beneficiary did not start the implementation of the project according to the provisions of the approved Concept Note.
- 4) The Steering Committee of the project, at the proposal of a Project Beneficiary, has the right to terminate this Agreement if:
 - a. the project has not been or cannot be fully implemented by carrying out the planned activities or the project cannot or could not be realized in due time; or
 - b. the Project Beneficiary has failed to submit in the deadlines the required reports or proofs, or to supply necessary information, in the deadline and has not duly justified these delays; or
 - c. the Project Beneficiary has impeded or prevented the auditing; or the recommendations resulted from the audit missions have not been observed; or
 - d. a fraud is discovered at Project Beneficiary level; or
 - e. the Project Beneficiary has failed to fulfil any other conditions or requirements stipulated in this Agreement.
- 5) Any breach of the provisions of the present Agreement may result in the termination of

the present Agreement and in decommitment of financing and repayment of amounts unduly paid.

§ 17 Force majeure

- 1) Force majeure is any external event, unforeseeable, absolutely invincible and inevitable occurred after the conclusion of this subsidy contract and which prevents the execution of all or part of this contract. Force majeure, established under the law, exonerates the parties in case of failure to execute totally or partially the obligations under this Contract, as long as the force majeure is in force, and only if the other party has been duly notified. It is not considered force majeure an event similar to those above which, without creating an impossibility of execution, makes extremely expensive the fulfilment of the obligations of one of the parties. The party invoking force majeure shall notify the other party regarding the force majeure event, within 5 calendar days from the date of issue of the force majeure. The party invoking force majeure is required to send to the other party, the document stating the existence of force majeure, within 15 calendar days from the date of its communication by the competent entity. The party invoking force majeure has the obligation to communicate the date of termination of the force majeure, within 5 calendar days of the termination.
- 2) The responsible party will support all costs of the notification procedure.
- 3) The parties shall take all measures at their disposal to limit the consequences of Force Majeure.
- 4) If the party claiming force majeure does not notify the commencement and termination of the force majeure, under the terms and conditions laid down, it will not be exempted from responsibility and will pay all damages caused by the lack of notice to the other Party.
- 5) The execution of the partner Agreement is suspended from the occurrence of force majeure during the whole period of its action.
- 6) If force majeure and / or its effects lead to the suspension of the execution of the Partnership Agreement for a period longer than 3 months, the Parties will meet within a period not exceeding 10 calendar days from the expiry date of this period in order to agree on how to continue, modify or terminate the Agreement.
- 7) Fortuitous event does not exonerate the parties in case of failure to execute totally or partially the obligations under this Agreement.

§ 18 Correspondence

- 1) The correspondence for the present Agreement shall be submitted to the following addresses:
 - Lead Beneficiary.....
