

Schedule for Spending Forecast and Reimbursement Claims

	LB	PB2	PB3	PB4	...	PB8	Reimbursement Claims (RC)
Period ¹ 1 - <Month>							
Period 2 - <Month>							
Period 3 - <Month>							
.....							
Total of spent amounts at half of the implementation period²							
.....							
Period n (n is the last period of implementation) - <Month>							

Each partner (including Lead Beneficiary) will fill in the amounts estimated to be requested for first level control verification.

Filling in the grey cells is mandatory for each partner, those amounts cannot be changed throughout the project lifetime (decommitment at project level analysis is based on those amounts). Please correlate those figures with the planning of activities from the application form.

¹ Period= 3 months in case of projects with project implementation period under 18 months, and 4 months in case of projects exceeding 18 months

² See Art. 6.9 of Partnership Agreement; If the half of the implementation period does not coincide with the end of a reporting period, the end date of that reporting period will be considered the deadline;
