PART C – Project description**C.1 Project relevance**

C.1.1 Territorial challenge. What are the common territorial challenges that will be tackled by the project?

Please describe the relevance of your project for the programme area in terms of common challenges and opportunities addressed.

--

C.1.2 Project Approach. How does the project tackle the identified common challenges and/or opportunities and what is new about the approach the project takes?

Please describe new solutions that will be developed during the project and/or existing solutions that will be adopted and implemented during the project lifetime and in what way the approach goes beyond existing practice in the sector/programme area/participating countries.

--

C.1.3 Cooperation Reason. Why is cross-border cooperation needed to achieve the project's objectives and result?

Please explain why the project objectives cannot be efficiently reached acting only on a national/regional/local level and/or describe what benefits the project beneficiaries/target groups/ project area/programme area gain in taking a cross-border approach.

--

C.1.4 Please select all cooperation criteria that apply to your project and describe how you will fulfil them.

Cooperation criteria		Description
Joint Development	<input type="checkbox"/>	
Joint Implementation	<input type="checkbox"/>	
Joint Staffing	<input type="checkbox"/>	
Joint Financing	<input type="checkbox"/>	

C.2 Project focus**C.2.1 Project objectives, expected results and main outputs****Programme priority specific objective****Project main overall objective**

What is the main overall objective of the project and how does it link to the programme objective? Specify one project main objective and describe its contribution to the programme priority specific objective.

Programme result

Select one programme result indicator your project will contribute to.

Project main result

What is/are the projects main results and how does it they link to the programme result indicator? Specify your one or more projects main result and describe its their contribution to the programme result indicator.

Project overall objectives

Which are the specific objectives the project will be working towards? Define max. 3 project specific objectives.	
Title of specific objective	Please provide a short explanation on the defined

Project main outputs**Overview table on project outputs as defined in the work plan**

Programme output indicators	Programme output indicator targets	Project Target Sum	Measurement Unit	Project main output quantification (target)	Project main output number	Project main output (title)

C.2.2 Target groups

Target groups <i>(automatically inserted from work plan)</i>	Please further specify the target groups (e.g. bilingual elementary schools, environmental experts, etc.).	Target value Please indicate the size of the target group you will reach. ²
Target group type 1		
Target group type 2		
Target group type n		

C.2.3 Durability of project outputs and results³

How will the project ensure that project outputs and results have a lasting effect beyond project duration?

Please describe concrete measures (including institutional structures, financial resources etc.) taken during and after project implementation to ensure and/or strengthen the durability of the project outputs and results. If relevant, explain who will be responsible and/or who will be the owner of results and outputs.

C.2.4 Transferability of project outputs and results⁴

How will the project ensure that project outputs and results are applicable and replicable by other organisations/regions/countries outside of the current partnership?

Please describe to what extent it will be possible to transfer the outputs and results to other organisations/regions/countries outside of the current partnership.

C.3 Project context

C.3.1 How does the project contribute to the wider strategies and policies?

Please describe the project's contribution to relevant strategies and policies; in particular, those concerning the project or programme area.

Indicate if the project contributes to the following strategies and describe in what way.⁵

² To avoid double counting of target groups, the quantification of the target groups reached had to be taken out of the work plan section.

³ It's either/or option with the same questions in the work packages.

⁴ It's either/or option with the same questions in the work packages.

⁵ Relevant strategies need to be listed; it's usually only one macro regional per programme area.

Strategy title 2	<input type="checkbox"/>	

C.3.2 What are the synergies with past or current EU and other projects or initiatives the project makes use of?

--

C.3.3 How does the project build on available knowledge?

Please describe the experiences/lessons learned the project draws on, and other available knowledge the project capitalises on.

--

C.4 Horizontal principles

Please indicate which type of contribution to horizontal principles applies to the project, and justify the choice.

Horizontal principles	Description of the contribution	Type of contribution
Sustainable development		<i>Drop-down list: neutral, positive effects;</i>
Equal opportunities and non-discrimination		<i>Drop-down list: neutral, positive effects;</i>
