Introduction

The communication activities on the use of the EU funds in Romania aim mainly at increasing the information level, awareness and transparency regarding the assistance that Romania and Bulgaria receive from the European Union and creating a coherent image of this assistance. Communication must reflect the content of the activities developed through the Interreg V-A Romania-Bulgaria Programme and must guarantee a high degree of transparency in using EU Funds.

The Ro-Bg Programme Visual Identity Manual (VIM) is drawn up to support the management structures of Interreg V-A Romania-Bulgaria Programme and the beneficiaries of the projects financed under the Programme in fulfilling the requirement information and publicity measures.

The beneficiaries of Interreg V-A Romania Bulgaria must, according to the contractual provisions, promote the fact that the projects are financed by the European Union, Romania and Bulgaria.

VIM is used to design the following instruments: plaques or billboards, posters, publications, audio-video materials, websites, promotional materials, other publications, materials and documents etc.

For temporary billboards, permanent plaques or billboards and posters, the beneficiaries must take into consideration the requirements mentioned in section 2 Compulsory information. As for all other materials the design patterns mentioned in section 3 General information for publications/ materials/documents of the VIM must be used. If a certain design pattern is not foreseen, it may be designed subsequently, observing the indications in the manual.

If a certain design pattern is not foreseen, it may be designed subsequently, observing the indication in the manual.

1. Logos

For any kind of information and communication material, the project beneficiaries must use the following logos/illustrations combining the required indications given by the relevant regulations and the Programme.

1.1 Recommendation on using the Interreg V-A Romania-Bulgaria Programme logo

The complete identification name is Interreg V-A Romania-Bulgaria Programme. The short name is Interreg V-A RO-BG. Both titles are correct and may be used alternatively, for lexical variety.

The logo of the Programme is the most important in making up the brand associations from the point of view of visual communication. The logo must be not recreated in any circumstances. The minimum accepted dimension of the logo is 3 cm.

Please note that expenditures for information communication activities that do not comply with the requirements described below will be considered as ineligible. All expenditures shall be verified by the Romanian/Bulgarian first level controllers.

The logo of the Interreg V-A RO-BG will be used on all the materials produced by the beneficiaries (press release, poster, leaflet etc.) and on all the equipments purchased.

If the documents are edited in English language the English version of the logo will be inserted accordingly.

The English logo will be also used at project level for joint activities/events.

The Romanian/Bulgarian logo will be inserted on the materials edited in Romanian/Bulgarian language.

1.1.1 Logo colors for

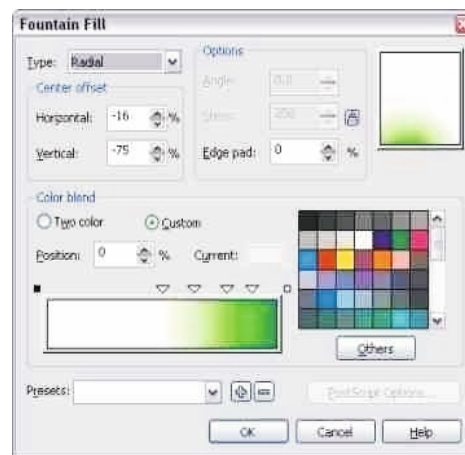

CMYK colour codes will be used for all printed materials.
 RGB will be used on the web site and other electronic applications.

1.1.3 Backgrounds and Spacing

The white background is recommended for the logo of the Interreg V-A RO-BG Programme.

The negative version of the logo will be used in case of colored background.

The simplified version of the logo (*see. 0.1*) may be used when the shades cannot be reproduced exactly because of technical reason (e.g. specificity of the supporting material: textile bags, plastic objects etc.). The monochrome version of the logo may be used under the condition that the used colors ensure maximum visibility of the logo used on the background.

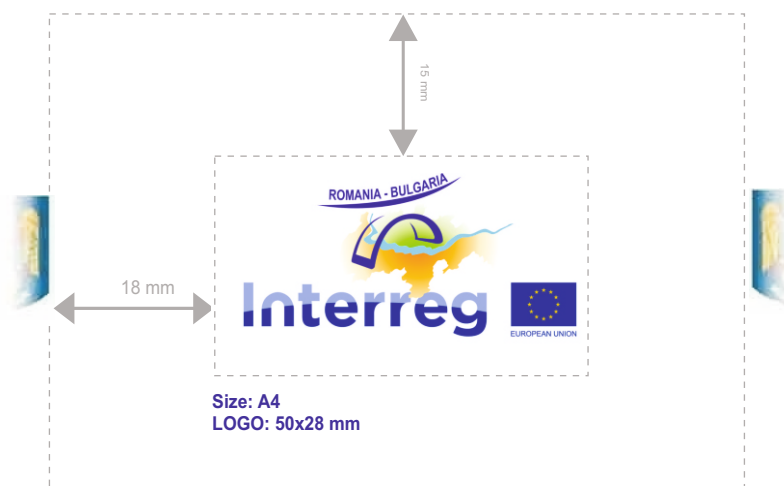

A white space around the graphical signature is more efficient in order to individualize and separate it from surrounding elements (edge of the page, other logos, graphical elements etc.) The free space must observe the indications in the picture below *see 0.2*

The distance between the edge and the logo differs from one page to another.

1.2 Recommendation on using the European Union Logo

Information and communication aimed at beneficiaries, potential beneficiaries and the public shall include: the emblem of the European Union and references to the European Union (EU), the Fund concerned “European Regional Development Fund” and the statement “Investing in your future!”.

The emblem of the EU shall be displayed in color on websites. On all other media, color shall be given preference whenever possible. Only in justified cases, monochrome version may be used.

The minimum height of the EU emblem shall be 2 cm. For small promotional items, the minimum height of the emblem of the European Union shall be 5 mm.

The name of the European Union shall always be spelled out in full. The typeface to be used in conjunction with the EU emblem will be Trebuchet MS. Italic and underline variations and the use of font effect are not allowed. The positioning of the text should not interfere with the emblem in any way. The font size used should be proportionate to the size of the emblem.

If other logos are displayed, the emblem of the EU shall have at least the same size (measured in height or width) as the biggest of the other logos and be appropriate to the scale of the material or document being used.

The emblem of the EU shall be displayed in a prominent position. It is compulsory that the EU logo to be placed on the first page/ cover of any document. It will be positioned up on the left side of the page.

When the emblem of the European Union and the reference to the Fund are displayed on a website, they shall be visible inside the viewing area of a digital device, without a user having the need to scroll down the page.

2. Compulsory information and communication measures for beneficiaries

Section 2.2. from the Annex XII to the Regulation (EU) No. 1303/2013 establishes the beneficiaries responsibilities, as follows:

1. All information and communication measures provided by the beneficiary shall acknowledge support from the Funds to the operation by displaying:
 - (a) the Union emblem in accordance with the technical characteristics laid down in the implementing act adopted by the Commission under Article 115(4), together with a reference to the Union;
 - (b) a reference to the Fund or Funds supporting the operation. Where an information or communication measure relates to an operation or to several operations co-financed by more than one Fund, the reference provided for in point (b) may be replaced by a reference to the ESI Funds.
2. During implementation of an operation, the beneficiary shall inform the public about the support obtained from the Funds by:
 - (a) providing on the beneficiary's website, where such a website exists, a short description of the operation, proportionate to the level of support, including its aims and results, and highlighting the financial support from the Union;
 - (b) placing, for operations not falling under points 4 and 5, at least one poster with information about the project (minimum size A3), including the financial support from the Union, at a location readily visible to the public, such as the entrance area of a building.

3. For operations supported by the ESF, and in appropriate cases for operations supported by the ERDF or Cohesion Fund, the beneficiary shall ensure that those taking part in an operation have been informed of this funding.

Any document, relating to the implementation of an operation which is used for the public or for participants, including any attendance or other certificate, shall include a statement to the effect that the operational Programme was supported by the Fund or Funds.

4. During implementation of an ERDF or Cohesion Fund operation, the beneficiary shall put up, at a location readily visible to the public, a temporary billboard of a significant size for each operation consisting of the financing of infrastructure or construction operations for which the total public support to the operation exceeds EUR 500 000.

5. No later than three months after completion of an operation, the beneficiary shall put up a permanent plaque or billboard of significant size at a location readily visible to the public for each operation that fulfils the following criteria:
 - (a) the total public support to the operation exceeds EUR 500 000;
 - (b) the operation consists of the purchase of a physical object or of the financing of infrastructure or of construction operations. The plaque or billboard shall state the name and the main objective of the operation. It shall be prepared in accordance with the technical characteristics adopted by the Commission in accordance with Article 115(4).

2.1 Temporary billboard

During implementation of an ERDF operation, the beneficiary shall put up, at location readily visible to the public, a temporary billboard of a significant size for each operation consisting of the financing of infrastructure or construction for which the total public support to the operation exceeds EUR 500 000.

The temporary billboard referred to in point 4 of section 2.2. of Annex XII to the Regulation (EU) No 1303/2013, shall state the name of the operation and the main objective of the operation. This information shall take up at least 25% of the temporary billboard.

25% includes space for EU emblem, reference to European Union, The European Regional Development Funds and Financial contribution of the EU.
