## ***Abbreviations***

AF	Application form
BL	Budget line
eMS	Electronic monitoring system
ERDF	European Regional Development Fund
LA	Lead Applicant
LP	Lead partner
MA	Managing authority
MC	Monitoring committee
JS	Joint secretariat
NA	National authority
PP	Project partner

## ***Online submission system***

If you decide to apply your project for financing under our programme, you will have to submit your application online through a dedicated online platform, called **eMS** (*electronic monitoring system*) and accessible at the following URL:

<http://ems-rohu.mdrap.ro/>

Also, this system will be used for assessment, contracting, sending and validating expenditures and approving progress reports of the partners and project. Your project's implementation will be monitored through this online platform.

## ***Technical information and system requirements***

The eMS is a web application which can be accessed with recent versions of most common browsers (e.g. at least Internet Explorer 11, Firefox 35, Chrome 39).

The functionality of the system follows the common standards of web applications for entering and submitting form data.

**Please pay attention to the following important aspects that have to be remembered when filling in the AF:**

- ✓ The eMS does not provide any warning or request of confirmation before leaving a section of the AF or before logging out;
- ✓ Always remember to save the data before leaving any section in the AF (Save button on upper left corner  or at the end of the page  otherwise data will be lost!;
- ✓ When filling in longer sections, please remember to regularly save data, in order to avoid losing data in case of interruptions of the internet connection or other technical issues;
- ✓ **Do not use the “Enter”** key in the forms as it may lead to unexpected results. Always use the commands provided by the eMS interface;

- ✓ The generation of pdf files might take some time. Please wait until the pdf-file appears in the file browser or in a new window. Activating the pdf generation again might slow down the system;
- ✓ Some fields in various (sub-) sections will be automatically filled in (grey cells) by the system by using data inserted in other sections of the AF or which are automatically calculated;
- ✓ To a certain extent, it is possible for different users to work in parallel (at the same time) on the same AF, but when the users are working in parallel, they have to be sure that they are not working in the same section or sub-section (in case that more than one applicant is filling in the AF). **Filling in the AF by more than 1 user is not recommended at the same time!**

## PART A – Registration

To use the eMS, **the Lead Applicant or applicant** must register and activate a user account as follows:

1. To register, go to <http://ems-rohu.mdrap.ro> and click on the  **Register** button.
- 2.

The person registering should be preferably the contact person or the project manager of the Lead Applicant institution/organization.

3. In the registration form, fill in the following information:

Registration

Description	
Username	firstname.lastname
Email *	firstname.lastname@mail.
Password *	*****
Password Again *	*****
Firstname *	Firstname
Lastname *	Lastname
Title	expert / institution
Language	EN ▼

 Register

- *Username:* will be used to log in the eMS. It can be freely chosen by the registering person, but we strongly recommend to have this format **firstname.lastname** in order to be easily to remember;
- *E-mail:* the email address of the contact person from Lead Applicant or applicant. The E-mail registered in the eMS must be the active and official address (e.g. **firstname.lastname@mdrap.ro**);
- *Password:* the password used to access the system should be a strong and complex one (a combination of alphanumerical characters and symbols).
- *First name/Last name:* Personal information of the contact person from the Lead Applicant or applicant;
- *Title:* The title and the institution you are working for
- *Language:* English is the pre-defined programme's official language. It cannot be changed.

Following the registration, the Lead Applicant institution/organization must send an official email (an official address from the institution email) to [joint.secretariat@breacoradea.ro](mailto:joint.secretariat@breacoradea.ro) to inform the JS about the new user. The minimum required information are: firstname and lastname, telephone and email of the person designated to use the new user.

Upon registering and accessing the system, the user agrees to the terms of service for using the eMS.

4. After clicking the **“Register”** button, the system automatically generates an e-mail (on successful submission) with the necessary instructions that will be sent to the e-mail address provided during the registration process. To activate the account follow the instructions in the message to confirm the registration.

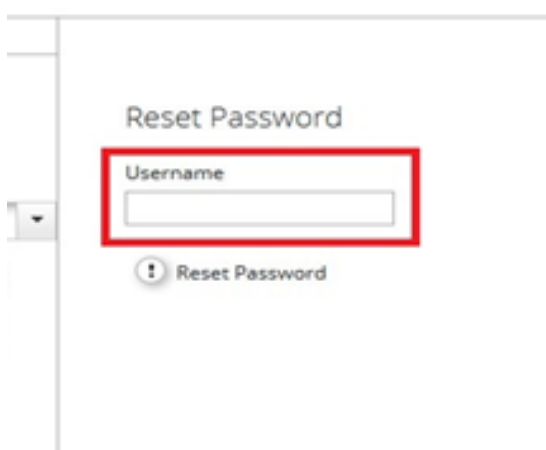

Hello,

In order to activate your account please click the following link:

<http://ems-uid=2&hash=2c206bbbed9934476e931b7beff17c7c>

Best regards,  
e-MS Team

5. Only after the user account activation and validation email received by JS from Lead Applicant or applicant institution/organization, the new user of Lead Applicant or applicant will be able to log in to the eMS.
6. In case the password is forgotten, it can be reset using the button  **Forgot Password** in the username and clicking the button  **Reset Password**

Please note that only the Lead Applicant can create and submit an application. The applicant can read or add/modify data in the AF, only if the Lead Applicant gives the necessary permissions.

## PART B – Login

1. After filling in the *Username* and *Password*, the user has to click on the  **Login** button to enter in the Dashboard;

A screenshot of the login form. It features two input fields: 'Username\*' with the placeholder text 'firstname.lastname' and 'Password\*' with masked characters. Below the password field is a red oval highlighting the 'Login' button, which has a checkmark icon. To the right of the 'Login' button is a '+ Register' button. A 'Password required' message is visible next to the password field.

2. The first page accessed by the user of the Lead Applicant or applicant is the dashboard, where the user can find the following sections:

A screenshot of the dashboard interface. The top navigation bar includes the 'Interreg Romania-Hungary' logo and a 'Dashboard' title. The left sidebar contains a 'Personal' menu with options: Dashboard, Mailbox, Generated Files, and User Account. Below this is an 'Applications' section with 'EMS Management', 'Reporting', and 'Contact List'. At the bottom of the sidebar is a 'Logout' button and a language selector set to 'EN'. The main content area is divided into three sections: 'My Projects' (a table with columns for Project\_Id, Name, Acronym, Start, End, Lead Partner, LP Nationality, Call, Timeslot, Specific Objective, Submission Date, Projectstate, Applicant Or Leadpartner, and View Project), 'My Mailbox' (a table with columns for Inbox, Subject, and Date), and a 'Show Own View' calendar for June 2016. The calendar shows dates from 29 to 30, with events labeled 'PSP call - Concept Note' and 'PSP call - Full Application'. The bottom of the screen shows a Windows taskbar with various application icons and a system clock indicating 11:37 AM on 6/29/2016.

- *Menu*: placed in the left side of the screen, it has at least 3 items visible: *Personal*, *Applications* and *EMS Management*:

- i. **Personal** menu has 4 functions available:

- *Dashboard* – by clicking on the  **Dashboard** button it shows dashboard;
- *Mailbox* – by clicking on the  **Mailbox** button it goes to the Mailbox window, from where the user of the Lead Applicant or applicant can use the internal mail function of the eMS as a normal e-mail, with the remark that the senders and receivers must be internal users of the system;

- *Generated files* – accessed by clicking on the  **Generated Files** button  
This section shows in pdf format a report generated by the system based on a template that presents all the AF data recorded in the eMS;
- *User account* – can be accessed by clicking on the  **User Account** button

In this section the user can update his information (except the Username and email which cannot be changed by the user), change password, configure mail signature and dashboard.

ii. **Applications** menu has 2 functions available:

- *My applications* – by clicking on the  **My Applications** button the system goes to the projects list added by the Lead Applicant in the eMS;
- *Bookmarked applications* - by clicking on the  **Bookmarked Applications** button the system shows only the projects already bookmarked using the  **Bookmark** button from the last column of the projects list.

▼ **Applications**

 **My Applications**

 **Bookmarked Applications**

▼ **E M S Management**

 **Calls**

- iii. **EMS Management** menu contains the function Calls. Clicking on the button  **Calls** it shows both the open and closed calls.

**Calls**

Name ↕	Start ↕	End ↕	Description ↕	Attachments	
Call test 1	09.03.2016	30.03.2016	Call test		 Apply
Call test 2	01.03.2016	31.03.2017	call test 2		 Apply

**Please note that the Lead Applicant can submit the saved project's AF only if the call is still open!**

**Applicants are advised not to submit their AF at the very last minute before the closure of the Call. Submission will no longer be technically possible after the announced deadlines of the Call. As submission is feasible from any internet connection, no exception to this rule will be granted.**

- *My projects*: a section where the Lead Applicant is able to add a new project by clicking on the button  **Add Project** and sees his projects already recorded in the eMS.

My Projects												
Project_id ↕	Name ↕	Acronym ↕	Start ↕	End ↕	Lead Partner ↕	LP Nationality ↕	Call ↕	Timeslot ↕	Specific Objective ↕	Submission Date ↕	Projectstate ↕	Applicant Or Leadpartner ↕
No records found.												
 Add Project												

- *My Mailbox*: a section where the Lead Applicant can see all the messages received and from where can go to the Mailbox window by clicking on the button  **Go To Mailbox**

- *Calendar*: this section shows the current date and the open calls marked with the yellow line and name.

## ***PART C – How to add a Project***

1. In order to add an application (project) in the eMS, **the Lead Applicant** shall go to the Dashboard and in the section My projects will click on the button  **Add Project**

The screenshot shows the eMS Dashboard interface. On the left is a sidebar with navigation links: Personal (Dashboard, Mailbox, Generated Files, User Account), Applications (EM 5 Management, Reporting, Contact List), and Logout. The main content area is titled 'Dashboard' and includes a 'My Projects' section with a table of project details. Below the table is an 'Add Project' button, which is circled in red. To the right of the 'My Projects' section is a 'My Mailbox' section with a 'Go To Mailbox' button. Further right is a 'Calendar' view for June 2016, showing dates and project entries.

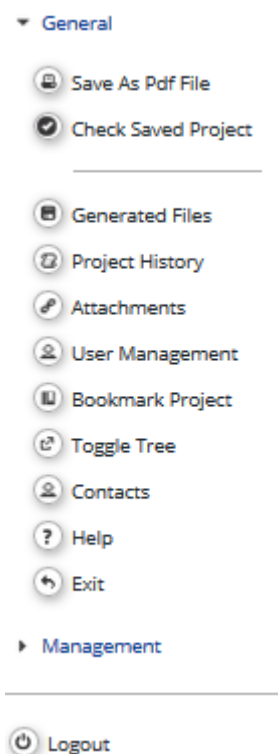

The system will open the Call function from where the applicant will choose the appropriate open Call (the button  **Apply** is active) and click on it to open the AF.

### Calls

Name ↕	Start ↕	End ↕	Description ↕	Attachments	
Call test 1	09.03.2016	30.03.2016	Call test		 Apply
Call test 2	01.03.2016	31.03.2017	call test 2		 Apply

2. After click on the  **Apply** button, the system will open the AF section with a save button  **SAVE**, two menus *General and Management* in the left side of the screen and sections (tabs) of the AF in the upper part.

- i. **General menu** includes the following functions: *Save As Pdf File, Check Saved Project, Generated Files, Project History, Attachments, User Management, Bookmark Project, Toggle tree, Contacts, Help and Exit.**

- *Save As Pdf File* – by clicking on the  **Save As Pdf File** button the system generates a pdf file that brings all the data found in the AF. The system will inform the user with the message and the file can be found in the Generated Files section;

The screenshot shows the 'Application Form' interface for 'ROHU16'. The left sidebar contains a 'SAVE' button and a 'Check Saved Project' button, with 'Save As Pdf File' circled in red. The main form area includes sections for 'Project Identification' (Programme Priority, Specific Objective, Project Acronym, Project Title, Project Number) and 'Project Summary' (Name Of Lead, Project Duration, Start Date, End Date). A notification banner at the top right indicates 'Pdf Print Started'.

Please note that the creation of a pdf might require some time and consequently the pdf of the AF will appear in the file browser only after a certain time. Please wait until the pdf is available and do not press the “save as pdf file” button repeatedly, because this might slow down the eMS. Also, please note that you can create a pdf file of the AF at any time of its development!

- *Check Saved Project* – by clicking on the  **Check Saved Project** button the system performs several automatic checks of the formal requirements if there is the case. If all automatic checks are successfully passed, the message will be displayed;

Please note that in the case of automatic checks showing deficiencies, the system indicates an error message on top of the page and the user should amend the AF accordingly.

- **Generated Files** – clicking on the  **Generated Files** button, the system will open a window where are listed all the pdf files of the AF generated after clicking the  **Save As Pdf File** button.

## Generated Files

Filename ↕	Type	Size ↕	Last Change ↕	
<a href="#">AF ROBG-19 MYFP 20160608 150600.pdf</a>	File	79.25 KByte	08.06.2016 15:06:00	

- **Project History** - shows the history of the projects, counting each version of the AF based on the modifications and the status of the AF.

**New User**

[+ Add For Reading](#) [+ Add For Modification](#)

**Assigned User**

User Name	Role	Option
firstname.lastname	Applicant	<a href="#">Remove</a>

**Please note that the users have to be registered in the system before and the Lead Applicant should know exactly their usernames in order to be added in the field:**

New User

**The user rights granted by the Lead Applicant for his partners will only be available until the submission of the application or until the deadline of the call.**

**In case the project is selected for funding, a new assignment of the users must be made for every project partner in the contracting phase, in order to have access in reporting section of the project.**

- *Bookmark Project* - by clicking on the **Bookmark Project** button the system will bookmark the project and it will change the button in used to un-bookmark the respective **Unbookmark Project** project
- *Toggle Tree* - the **Toggle Tree** button will activate a tree menu with all the sections and subsections of the AF in the upper right corner

- Project Summary
- Partner
- ▼ Project Description
  - Project Relevance
  - Project Focus
  - Project Context
  - Horizontal Principles
- ▼ Workplan
  - Activities List
  - Target Groups
  - Define Periods
  - Activities Outside Union
- Partner Budget
- Project Budget Overview
- Attachments

- *Contacts* – this  **Contacts** button will pop up a window with a list of all project contacts assigned for the respective project. Also, this function allows to send e-mails to the project contacts by clicking the  **Send** button after selecting the username.

Project Contacts <span>✕</span>		
Select	Role In The Project	Username
<input type="checkbox"/>	Lead Applicant	firstname.lastname

 **Send**

**Please note that the list will be updated while more users are assigned to the project!**

- *Help* – this  **Help** button is a contextual menu and will open a popup window with a description of the section selected by the user.
- *Exit* – the  **Exit** button will return the user to the dashboard where it can be seen the list with all the projects recorded by the Lead Applicant in eMS.

**ii. Management** menu has only the function of deleting the project at this stage

 **Delete Project**

**Please note that the applicant cannot delete the application after submission!**

After the Lead Applicant (or other user with granted access) fills in all the sections and subsections of AF, the application has to be checked by clicking on  **Check Saved Project** the button and then submitted by  **Submit Checked Project**

**If any issues are found after clicking button  Check Saved Project such as missing or wrong data, you will need to correct this before you can save and check it again.**

Before submitting the application the system will pop up a confirmation message to warn the Lead Applicant that process is irreversible.

Also, the Lead Applicant will be notified by e-mail that the application was successfully submitted.

My Mailbox		
 Go To Mailbox		
Inbox ⇅	Subject ⇅	Date ▼
admin	Application Submitted	13.06.2016 11:15:05

**Please note that only the user who initially created the AF (i.e. the Lead Applicant) can submit the AF of the project.**

**The AF which has been successfully submitted is final and cannot be changed anymore (it will only appear in read-only mode in the system).**

**You can submit the application until the time and date of the call deadline, Bucharest time (EET). Please take time zone differences into account!!!**

## ***PART D – How to fill in the application form (AF)***

The AF has to be filled in English as this is the working language of the programme.

The structure (and content) of the AF is as follows:

1. *Project Summary*
2. *Partner*
3. *Project Description*
4. *Workplan*
5. *Project Budget*
6. *Project Budget Overview*
7. *Attachments*

**Please note that in order to fill in the AF the Lead Applicant has to follow the arrows, section by section (starting with the Project Summary section and finishing with the Attachments)!**

### **Section A: Project Summary**

This is the starting point for the application form. The application will not be created until this first tab in the application form has been completed and saved. You will then have access to the other tabs.

After completing the first tab “Project summary”, click on **“CREATE”** button in the top-left corner.

Project Summary \*

Short Overview \*

After completing other sections in the application form, this tab will show a complete project summary.

The tables contain the name of the AF fields and instructions regarding the information to be fill in.

**Please note that the fields may differ, according to the Call configuration!**

<b>Fields name</b>	<b>Fill in instructions</b>
<i>Project Identification</i>	
Programme Priority:	Indicate which Priority Axis of the Programme the project aligns with.
Specific Objective:	Select one specific objective your project is contributing to.
Project Acronym	Abbreviation of the project name.
Project Title	State the title of the project. This will be the official name of the project during its implementation.
<i>Project Number (autonumber)</i>	
Project Duration	Indicate the number of months.
Start Date	Indicate the expected start date of project activities. In order to set this date please take into consideration the next phases (assessment and contracting) of the projects.
End Date	Indicate the expected end date of project activities.
<i>Project Summary</i>	
Short overview	<p>This summary delivers the first impression of the project. In case the project is approved, this summary will also be used by the programme for communication purposes, therefore make sure the text will be understandable by a non-expert audience and will be informative and appealing.</p> <p>Please give a short overview of the project and describe - the common challenge of the programme area you are jointly tackling in your project; - the main overall objective of the project and the expected change your project will make to the current situation; - the main outputs you will produce and who will benefit from them; - the approach you plan to take and why is cross-border approach needed - what is new/original about it?</p>

**The application form can only target one priority axis and one programme specific objective of the Interreg V-A Romania-Hungary Programme.**

**Please click on**

**button before leaving this page!!!**

## Section B: Partner

Fields name <sup>1</sup>	Fill in instructions
Partnership Concept	<p>Fill in the partnership concept. Please refer at least to the following:</p> <ul style="list-style-type: none"> <li>- explain how the foreseen partnership covers the necessary professional competencies;</li> <li>- detail the relevant experience of the Lead Applicant and his partners / associated partners, relevant for implementing the proposed project;</li> <li>- explain how the partners have proven relevant experience in the thematic field concerned and the necessary capacity to implement the project (financial, human resources, etc.);</li> </ul>
Strategic Partnership	<p>Explain why this partnership has strategic importance. Describe that the proposed partnership:</p> <ul style="list-style-type: none"> <li>- has a strategical impact in the Programme area;</li> <li>- is part of a long term collaboration between the partners;</li> <li>- is part of a Strategy/Plan;</li> </ul>
Partnership Association	<p>Please describe the role and relevance of the partners:</p> <ul style="list-style-type: none"> <li>- justify the role and the responsibilities of each partner / associated partners and define their contribution to the project;</li> <li>- explain how the partnership consists of partners / associated partners that complement each other;</li> <li>- explain how all partners / associated partners play a defined role in the partnership and what is their contribution to the project;</li> </ul>

**Please click on**

**button before leaving this page!!!**

To enter information about the partnership, click on ***“New partner”*** virtual button.

Last Name	Type last name
E-mail Address	Type e-mail
Telephone	Enter telephone number
Experiences of Partner	What are the organization's competences and experiences relevant for the project? Include role in the project.
Other International Projects	If applicable, describe the organization's experience in participating in and/or managing EU co-financed projects or other international projects.

Benefit	Provide a short description of the results/outcomes/benefits resulted from the previously implemented projects'.
---------	--

After entering and saving a partner, you need to click on the tab “Partners” to go back to the list view, from where you will be able to add other partner(s) if the case.

Clicking on  Remove Partner button, you can remove a project partner, if the case.

Please click SAVE button before leaving the page!!!

## Section C: 1-5: Project Description

### Section C.1 Project Relevance

The screenshot displays the eMS Application Form interface. The top navigation bar includes 'File', 'Edit', 'View', 'History', 'Bookmarks', 'Tools', and 'Help'. The main header shows 'eMS' and the URL 'ems-rohu.mdrap.ro/app/main?execution=e1s8'. The left sidebar contains a 'SAVE' button and a 'General' section with options like 'Save As Pdf File', 'Check Saved Project', 'Generated Files', 'Project History', 'Attachments', 'Modification Request', 'User Management', 'Bookmark Project', 'Toggle Tree', 'Contacts', 'Help', and 'Exit'. The main content area is titled 'Application Form' and features a tabbed interface with 'Project Summary', 'Partner', 'Project Description', 'Workplan', 'Project Budget', 'Project Budget Overview', and 'Attachments'. The 'Project Description' tab is active, showing a dropdown menu with options: 'Project Relevance', 'Project Focus', 'Project Context', 'Horizontal Principles', and 'Project Risks'. The 'Project Relevance' option is selected, and a red arrow points to it. Below the dropdown, there are text input fields for 'Territorial Challenge Description', 'Project Approach Description', 'Cooperation Reason Description', and 'Cooperation Criteria Description'. The bottom status bar shows 'ems-rohu.mdrap.ro/app/main?execution=e1s8#', 'ENG', '12:15 PM', and '6/29/2016'.

Fields name	Fill in instructions
<i>Territorial Challenge</i>	
What are the common territorial challenges that will be tackled by the project?	Please describe the relevance of your project for the programme area in terms of common challenges and/or joint assets addressed?
<i>Project Approach</i>	
What is the project`s approach in addressing these common challenges and/or joint assets and what is new about the approach the project takes?	Please describe new solutions that will be developed during the project and/or existing solutions that will be adopted and implemented during the project lifetime and in what way the approach goes beyond existing practice in the sector/ programme area/participating countries.
<i>Cooperation Reason</i>	
Why is cross-border cooperation needed to achieve the project`s objectives and result?	Please explain why the project objectives cannot be efficiently reached acting only on a national/regional/local level and/or describe what benefits the project beneficiaries/target groups/ project area/programme area gain in taking a cross-border approach.
<i>Cooperation Criteria<sup>2</sup></i> Please select all cooperation criteria that apply to your project and describe how you will fulfil them.	
Development	A short description of the cooperation criteria.
Implementation	A short description of the cooperation criteria.
Staffing	A short description of the cooperation criteria.
Financing	A short description of the cooperation criteria.

**Please click SAVE button before leaving the page!!!**

<sup>2</sup> Please see chapter 2.2.1.2 Eligibility of actions (projects) from Guide for Applicants (The importance of the cross-border approach to the topic addressed should be clearly demonstrated. In this matter, at least 3 (from 4) cooperation criteria shall be fulfilled: joint development, joint implementation, joint staffing and joint financing.)

## Section C.2 Project Focus

The screenshot shows the 'eMS' application interface. The breadcrumb navigation at the top includes 'Project Summary', 'Partner', 'Project Description' (highlighted with a red arrow), 'Workplan', 'Project Budget', 'Project Budget Overview', and 'Attachments'. The 'Project Focus' section is active, displaying the following fields:

- Programme Priority Specific Objective SO7/b** Improved cross-border accessibility through connecting secondary and tertiary nodes to TEN-T infrastructure
- Project Main Overall Objective**: A text input field with a 255 character limit.
- Programme Result Header**: A dropdown menu showing 'Cross-border population served by modernized infrastructure leading to TEN-T'.
- Project Main Result Header**: A text input field with a 255 character limit.
- Project Overall Objectives Header**: A section with a description 'There Are No Specific Objectives Created' and a button to 'Add Project Specific Objective'.
- Durability And Transferability Of Main Outputs**: Two text input fields for 'Durability Description' and 'Transferability Description', both with 255 character limits.

Fields name	Fill in instructions
<i>Programme Priority Specific Objective ... (automatically shows selected specific objective)</i>	
Project Main Overall Objective	What is the main overall objective of the project and how does it link to the programme objective? Specify one project main objective and describe its contribution to the programme priority specific objective.
<i>Programme Result Header</i>	
Programme Result Header Description	This field is automatically linked to your selected specific objective.
<i>Project Main Result Header</i>	
Project Main Result Header Description	What is/are the projects main results and how does it they link to the programme result indicator? Specify your one or more projects main result and describe its their contribution to the programme result indicator.
<i>Project Overall Objectives Header</i>	
Project Overall Objectives Header Description	Which are the specific objectives the project will be working towards? Define max. 3 project specific objectives
<i>Durability And Transferability Of Main Outputs</i>	
Durability Description	Please describe concrete measures (including institutional structures, financial resources etc.) taken during and after

How will the project ensure that project outputs and results have a lasting effect beyond project duration?	project implementation to ensure and/or strengthen the durability of the project outputs and results. If relevant, explain who will be responsible and/or who will be the owner of results and outputs.
Transferability Description How will the project ensure that project outputs and results are applicable and replicable by other organizations/ regions/ countries outside of the current partnership?	Please describe to what extent it will be possible to transfer the outputs and results to other organizations / regions/ countries outside of the current partnership.

**Please click SAVE button before leaving the page!!!**

## Section C.3 Project Context

Fields name	Fill in instructions
Project Context Description How does the project contribute to the wider strategies and policies?	Please describe the project's contribution to relevant strategies and policies; in particular, those concerning the project or programme area.
<i>Indicate Header</i>	

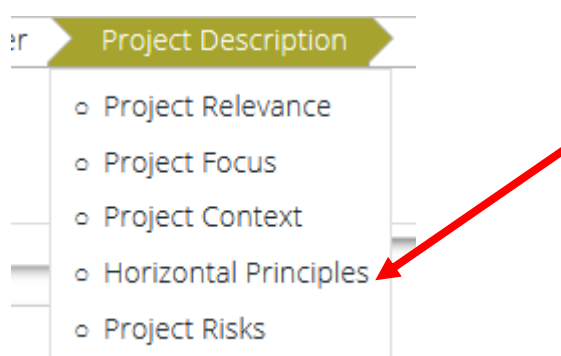

EU Strategy for the Danube Region	If applicable please select and a short description
<i>Synergies</i>	
Synergies Description	What are the synergies with past or current EU and other projects or initiatives the project makes use of?
<i>Knowledge</i>	
Knowledge Description How does the project make use of building available knowledge?	Please describe the experiences/lessons learned the project draws on, and other available knowledge the project capitalizes on.

**Please click SAVE button before leaving the page!!!**

## Section C.4 Horizontal Principles

### Horizontal Principles

Description

Sustainable development (environment)

neutral

Equal opportunity and non-discrimination

neutral

Equality between men and women

neutral

Increased use of sustainable procurement

neutral

Usage of green infrastructure

neutral

Consideration of life cycle costs of investm

neutral

 Save

The horizontal principles must be incorporated in every project and at all stages. Understanding and demonstrating equality issues and sustainability is highly relevant to all applicants and will influence the assessment process.

Fields name	Fill in instructions
Sustainable Development (environment)	Please list your project's contributions to the horizontal principle, and indicate whether your choice is neutral or positive.
Equal opportunity and non-discrimination	Please list your project's contributions to the horizontal principle, and indicate whether your choice is neutral or positive.
Equality between men and women	Please list your project's contributions to the horizontal principle, and indicate whether your choice is neutral or positive.
Increased use of sustainable procurement	Please list your project's contributions to the horizontal principle, and indicate whether your choice is neutral or positive.
Usage of green infrastructure	Please list your project's contributions to the horizontal principle, and indicate whether your choice is neutral or positive.
Consideration of life cycle costs of investment	Please list your project's contributions to the horizontal principle, and indicate whether your choice is neutral or positive.

## Section C.5 Project Risks

The screenshot displays the 'eMS' application interface. The top navigation bar includes 'Project Summary', 'Partner', 'Project Description' (highlighted with a red arrow), 'Workplan', 'Project Budget', 'Project Budget Overview', and 'Attachments'. The left sidebar contains a 'SAVE' button and a list of project management tools. The main content area is titled 'Project Risks' and shows a form for 'Risk 1'. The form includes fields for 'Start Date', 'End Date', 'Risk Impact' (set to 'low'), and 'Risk Likelihood' (set to 'not likely'). Below these are fields for 'Title', 'Project Description', and 'Project Mitigation'. A 'Save' button is located at the bottom left of the form area. The bottom of the screen shows the Windows taskbar with various application icons and the system clock indicating 12:18 PM on 6/29/2016.

Fields name	Fill in instructions
Risk 1	Please list your project's risks
Start date	Type the start date
End date	Type the end date
Risk impact	Please select from the list the impact of the risk
Risk likelihood	Please select from the list the probability of the risk to occur
Title	Type the risk title
Risk description	Please describe the project risk
Risk mitigation	Please describe the project risk mitigation

**Please click SAVE button before leaving the page!!!**

## Section D: Workplan

### Section D.1. WorkPackage List

The screenshot displays the 'eMS' Application Form interface. The navigation bar at the top includes 'Project Summary', 'Partner', 'Project Description', 'Workplan', 'Project Budget', 'Project Budget Overview', and 'Attachments'. The 'Workplan' tab is selected, and a red arrow points to the 'Workpackage List' sub-tab. The main content area is titled 'Workpackage List' and contains three sections: 'PREPARATION' with a 'Create Preparation' button, 'MANAGEMENT' with filters for 'Management', 'Jun.2016', and 'Jun.2018', and a 'Timeline' section showing a calendar for June and July 2016. The timeline table has columns for dates from June 29 to July 5, 2016, and rows for 'WP M: Project Management (Management)' and 'Show Activities' and 'Show Deliverables'.

In addition to project description in Part C, all projects are requested to submit a description of the different work packages that the project partners have developed to structure their activities. The information entered in this section will form the basis for the project monitoring.

One standard work packages have been pre-defined:

□ Work package “Management”, consists of operational and strategy activities such as governance, daily management of the project and reporting and monitoring.

**To edit the workpackage, click on the magnifying glass.**

The next workpackages are project specific, and should include descriptions of all other activities.

After filling in the work packages, a Gantt chart will appear at the bottom of this page. This is considered to be an indicative plan and the Joint Secretariat will exercise flexibility (within reasonable limits) when monitoring project activities.

**Please note that there are two options for defining workpackages:**

1. At project level: WP Preparation, Management and Communication
2. At partner level: WP Implementation and Investment

## WorkPackage Preparation

**To activate the Work Package Preparations please click on the q sign (magnifying glass)**

Fields name	Fill in instructions
<i>Wp Details</i>	
Wp Start	Please insert the start date of the preparation activities <sup>3</sup>
Wp End	Please insert the end date of the preparation activities <sup>4</sup>
Partner	Please select the partners with preparation activities
<i>Summary</i>	
Summary Description	Please describe briefly the project preparation activities for each partner.

**Please pay attention to Start Date and End Date of the preparation activities because they will define period 0 of the project.**

**Please click SAVE button before leaving the page!!!**

<sup>3</sup> Starting with 1<sup>st</sup> of January 2014

<sup>4</sup> The end date of the preparation activities is the submission date of the application form

# WorkPackage Management

To activate the Work Package Management, please click on the **q** sign (magnifying glass)

The screenshot shows the eMS Application Form interface. The top navigation bar includes 'Project Summary', 'Partner', 'Project Description', 'Workplan', 'Project Budget', 'Project Budget Overview', and 'Attachments'. The 'Workpackage List' section is active, displaying a table with columns for 'Preparation', 'Management', and 'Workpackages Defined'. A red arrow points to the magnifying glass icon in the 'Management' section. Below the table, there is a 'Timeline' section with a calendar view for June 2016.

The screenshot shows the eMS Application Form interface with the 'Management M' details view. The top navigation bar is the same as the previous screenshot. The 'Management M' section is active, displaying a 'Wp Details' table with columns for 'Project Management', 'Wp Start', and 'Wp End'. Below this, there is a 'Partner' section with a 'Wp Responsible Partner Selection' dropdown. The 'Partners Involvement Section' table has columns for 'Name', 'Role', and 'Abbreviation'. The 'Description' section has a text area for 'Activities Contribution Strategy'. The 'Activity A.M.1' section has a table with columns for 'Activity Title', 'Start Date', and 'End Date'. A 'SAVE' button is visible in the top left corner.

Fields name	Fill in instructions
<i>Partners</i>	
Select the WP Responsible Partner	Please choose the partner responsible for the Work Package from the list.
Select Partners Involved	Please select other partners involved.
<i>Description</i>	
Describe how the management on the strategic and operational level will be carried out.	Please describe how the management on the strategic and operational level will be carried out in the project, specifically: structure, responsibilities, procedures for the day-to-day management and co-ordination and communication within the partnership reporting and evaluation procedures risk and quality management. Indicate whether the management is foreseen to be externalized.
<i>Activity A.M.1... (autonumber</i>	
Activity Title	Fill in the activity title for each partner (at least one activity for each partner)
Indicative budget	Fill in the budget for the activity (management team at partner level)
Start Date	Enter the envisaged start date for the activity
End Date	Enter the envisaged end date for the activity.
<i>Activity Description</i>	
Description	Please give a brief description of the activity. Describe the role and responsibilities for each management team member (indicating the number of

	hours/day or month/member team) for each partner. Make sure you indicate the estimated budget/activity. In case of partner meetings and other project events, please indicate where they are envisaged to take place.
Add Deliverable	Click on this button to add deliverable.
Deliverable D.M.1 + Target Value	Please describe the deliverable and the target value if there are any.
Add Activity	Click on this button to add more activities.

**E.g.:**

- Activity AM1 – The management team of the LP (costs go to budget line Staff cost)
- Activity AM2 – The management team of the PP2 (budget line Staff cost)
- Activity AM3 – The management team of the PP3 (budget line Staff cost)
- Activity AM4 – Meetings of the management team for LP, (budget line Travel and accommodation)
- Activity AM5 – Meetings of the management team for PP2, (budget line Travel and accommodation)
- etc.

**The activities and the related staff costs for the internal experts (others than the management team) members of the implementation of the projects, will be detailed under *Work Package Implementation / Work package Investment*, within budget line *Staff costs*.**

**Please click SAVE button before leaving the page!!!**

## Work Package Communication

Work package, "Communication", consists of external communication, and all other tasks associated with *the* project's outward project communication activities, dissemination tools, and associated communication deliverables.

**To activate the Work Package Communication, please click on the + sign.**

Fields name	Fill in instructions
Title	Please give a short title to the Work Package, including project partner's name
Partners	
Select the WP Responsible Partner	Please choose the partner responsible for the Work Package from the list.

Select Partners Involved	Please select the partner to whom activities from this workpackage belong.
<i>Summary Implementation</i>	
Please give a summary description of the work package and its objective. Please specify to which project objective it contributes.	It is important that the reader of the application understands the purpose of the work package to achieve the overall project objectives.
<i>Main Outputs</i>	
<b>Output O.T1.1...</b> (autonumber)	Projects are expected to deliver viable products and services, whose impact should contribute to programme level results. Each of the Investment priority have been designed to focus project applicants on delivering tangible, durable outputs, assisting the delivery of the programme's ambitions of measurable positive changes in the Programme area. Each project's intended results and outputs are expected to facilitate the changes sought by the Interreg V-A RO-HU Programme.
Title	Please give a short title for the project's output
Define the product/service that will be developed by the end of the project.	It is important that the reader of the application understands what viable outputs the project will deliver.
Output indicator: choose the corresponding output Indicator, to which the product/service will contribute (if the case).	Programme Output indicators have been developed to express and measure project outputs. They are dependent on the selected Investment priority. All Output indicators are collected at project level and aggregated at programme level. Click <b>Remove Output</b> button if not applicable (the activities from that workpackage do not contribute to output indicator)
Date	Indicate the month when the output is expected to be available.
Quantity	Quantify the contribution to the output indicator. This is a target value for the entire project.
<i>Activity A.T1.1... (autonumber)</i>	
Activity Title	Please give a short title to the activity.
Start Date	Enter the envisaged start date for the activity.
End Date	Enter the envisaged end date for the activity.
<i>Activity Description</i>	
<i>Description</i>	Please give a brief description of the activity.
Deliverable D.T.1.1... (autonumber)	Please only list the major milestone deliverables, such as studies, reports, etc.
Title	Deliverable title.

Target Value	How many deliverables does the project plan to deliver?
Description	Give a brief description of the deliverable.
Delivery Month	Indicate the month when the deliverable is expected to be available.
Add Deliverable	Click on this button to add more deliverables under this activity.
Add Activity	Click on this button to add more activities.

**The equipment mentioned under the present WP shall be related to project implementation activities.**

**Attention! In case there are deviations from the estimated amounts for the planned activities, in order to ensure the project's sound financial management and focusing on reaching the envisaged output indicators, the Programme recommends these are of maximum 20%. However, in case such deviations occur, the budget chapters shall not be affected.**

Be advised that the Application Form is structured based on work-packages, which comprise activities and sub-activities, either on project level (WP Preparation, Management and Communication) or on partner level (WP Implementation and Investment). For each activity/sub-activity you shall provide enough details in terms of methodology of implementation, estimated deliverable and indicative budget.

If summed-up, all the indicative amounts on activity/sub-activity level equal the related budget chapter, on partner level. Consequently, the summed-up partners' budgets equal the project budget.

According to the Subsidy Contract, any modifications of the budget lines (in this case to be read as chapters) will require addenda. However, the subdivisions (activities/sub-activities) budgets can, therefore, as already explained, be modified up to a threshold of maximum 20%.

**Please click SAVE button before leaving the page!!!**

## Work Package Investment<sup>7</sup>

To activate the Work Package Investment, please click on the + sign.

The screenshot shows the eMS Application Form interface for project ROHU17. The 'Workpackage List' section is active, displaying a table with columns for 'Management' and 'Communication'. The 'Management' column has a dropdown menu with 'Jun.2016' selected. The 'Communication' column has a '+' sign, which is highlighted by a red arrow. Below the table, there is a 'Timeline' section showing a calendar view for June 2016 and July 2016. The 'WP M: Project Management (Management)' task is visible in the timeline.

The screenshot shows the eMS Application Form interface for project ROHU17, specifically the 'Investment I1' section. The 'Wp Details' section is highlighted in pink and contains fields for 'Title', 'Wp Start Jun.2016', and 'Wp End Jun.2016'. Below this, there is a 'Partner' section with a dropdown for 'Wp Responsible Partner Selection' and a table for 'Partners Involvement Selection'. The table has columns for 'Name', 'Role', and 'Abbreviation'. The 'Summary Investment' section is also visible, containing a 'Summary Investment Description' field.

<sup>7</sup> The Workpackage Investment shall be define at partner level and investment type.

PROJECT END (31.12.2018) + Add ⚙️ Recalculate Last Period End

💾 Save

In this section, you will define the reporting periods for the project. Important: the reporting periods form the basis for the project budget. If you do not create any periods, you cannot enter the project budget!

**The reporting periods depends on project implementation period. Further to this, if you create the periods incorrectly (i.e. too many or too few periods), this will have major consequences for entering the budget data**

Fields name	Fill in instructions
Add	Please click the + sign to create a new reporting period.
Start Date (automatic)	Period 0 represent preparation period. Period 1 starts with the project start date. <b>Note:</b> when you change the project start date, you have to refresh the reporting periods by clicking on "Recalculate Periods"

End Date	The end date should be set 3 month for projects under 18 months and 4 month for projects exceeding 18 months. The final period ends with the project end date.
Reporting Date	The reporting date is 15 working days after the end date of the reporting period. <b>Note: the reporting date for the final report is 30 working days after the project end date!!!</b>

Please click SAVE button before leaving the page!!!

## Section E: 1-3. Project Budget

### E1. Partner budget

The screenshot shows the eMS Application Form interface. The 'Project Budget' tab is selected, and the 'Partner List' table is displayed. A red arrow points to the 'Project Budget' tab. The table has columns for Number, Name, Role, and Budget. The 'Budget' column contains links for 'Define Budget' and 'Define Contribution'.

Number	Name	Role	Budget
1	RO Partner	Lead Partner	<a href="#">Define Budget</a> <a href="#">Define Contribution</a>
2	HU Partner	Project Partner	<a href="#">Define Budget</a> <a href="#">Define Contribution</a>

Note: For each partner, you should define BOTH the budget AND the contribution (match funding)! Remember that the project costs and the project finances should balance. You can check this on the tab "Project Budget Overview".

All costs for each partner must be entered per period and per workpackage.

Before you enter any costs, please double check, that the reporting periods are correct!

## Partner contribution

The screenshot shows the 'Application Form' for project ROHU16. The 'Project Budget' tab is active, displaying a 'Partner List' table. The table contains two rows: 'RO Partner' and 'HU Partner'. The 'Budget' column for the 'RO Partner' row has two buttons: 'Define Budget' and 'Define Contribution', both of which are circled in red. The 'HU Partner' row also has 'Define Budget' and 'Define Contribution' buttons. The interface includes a sidebar with navigation options like 'Save As Pdf File', 'Check Saved Project', 'Generated Files', 'Project History', 'Attachments', 'Modification Request', 'User Management', 'Bookmark Project', 'Toggle Tree', 'Contacts', 'Help', 'Export Budget', and 'Exit'. The bottom of the screen shows the Windows taskbar with various application icons and the system clock indicating 12:58 PM on 6/29/2016.

Number	Name	Abbreviation	Role	Budget
1	RO Partner	ROMANIA	RO P	Lead Partner Define Budget Define Contribution
2	HU Partner	ROMANIA	HU P	Project Partner Define Budget Define Contribution

To add the row for the State contribution, please click on the + sign.

**Partner Contribution**

Partner Contribution Rate

	Amount	Cofinancing Rate
Program Cofinancing	€ 0.00	85.00 %
Partner Contribution	€ 0.00	
Partner Total Eligible Budget	€ 0.00	

Source Of Contribution

Source Of Contribution	Legal Status	%of Total Partner Contribution out of 15%	Amount	Options
Lead Partner	public		€ 0.00	+
State contribution	public	0.00 %	€ 0.00	-
<b>Sub Total Public Contribution</b>		0.00 %	€ 0.00	
<b>Sub Total Private Contribution</b>		0.00 %	€ 0.00	
<b>Total</b>			€ 0.00	
<b>Total Target Value</b>			€ 0.00	
<b>Total Public Expenditure</b>			€ 0.00	

Annotations:

- Own contribution
- The + button to add the State contribution
- State contribution

Here are the steps:

Source Of Contribution

Source Of Contribution	Legal Status	%of Total Partner Contribution	Amount	Options
HU or RO partner	public	0.00 %	€ 0.00	+ Create Partner Contribution
State contribution	public	0.00 %	€ 0.00	- Delete Contribution
<b>Sub Total Public Contribution</b>		0.00 %	€ 0.00	
<b>Sub Total Private Contribution</b>		0.00 %	€ 0.00	

Phases:

- Phase 1: Click + Create Partner Contribution
- Phase 2: Write "State contribution" in this field
- Phase 3: fill in the amount for both contributions (own and state)

**Attention: for RO partners** how you calculate own and state contributions!

After filling in own and state contribution in the field **Amount**, the field **%of Total Partner Contribution** must be:

- **13.34%** for own contribution
- **86.66%** for State contribution

Fields name	Fill in instructions
Partner Contribution Rate	It is automatically filled in.
<i>Source of Contribution</i>	
Source of Contribution + Amount	First row must be fill in with partner's own contribution. Please add State contribution by clicking the + button. Please specify the public source of funding in this case. <b>Please enter the amount in Euro!</b>
Target Value	This field indicates the expected amount of match funding contribution based on the partner's cost budget and the chosen intervention rate.

The applicants can upload documents into eMS.

Click on the  button to add new attachments.

**The size of the file to be uploaded cannot exceed 50MB.**

**Not any format file can be uploaded!**

**The files extension recognized by eMS are: gif, jpeg, png, tiff, doc, docx, pdf, xls, xlsx, ppt, pptx, mp4, mov, avi, wmv, zip, rar.**

**Please click SAVE button before leaving the page!!!**

## ***PART E - Submitting the application***

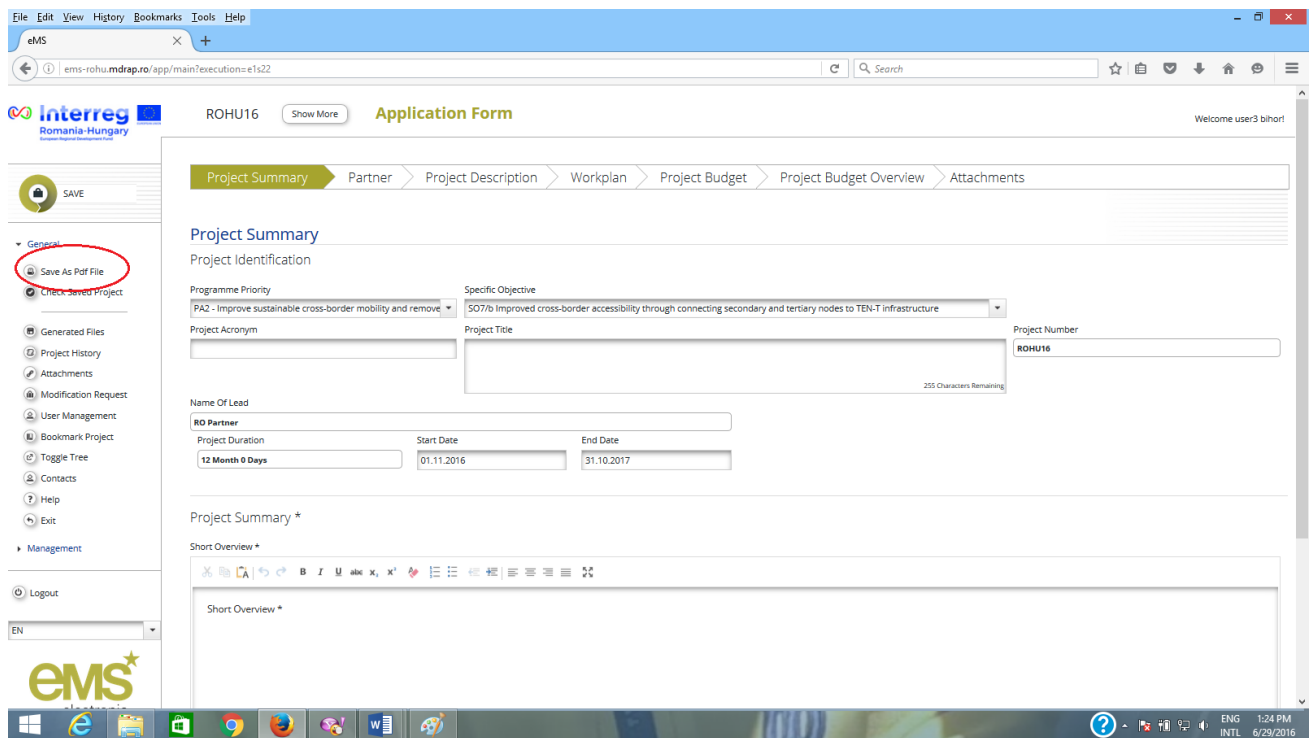

After completing the application form and attaching all necessary supporting documents, **you must save it as a Pdf File (menu item).**

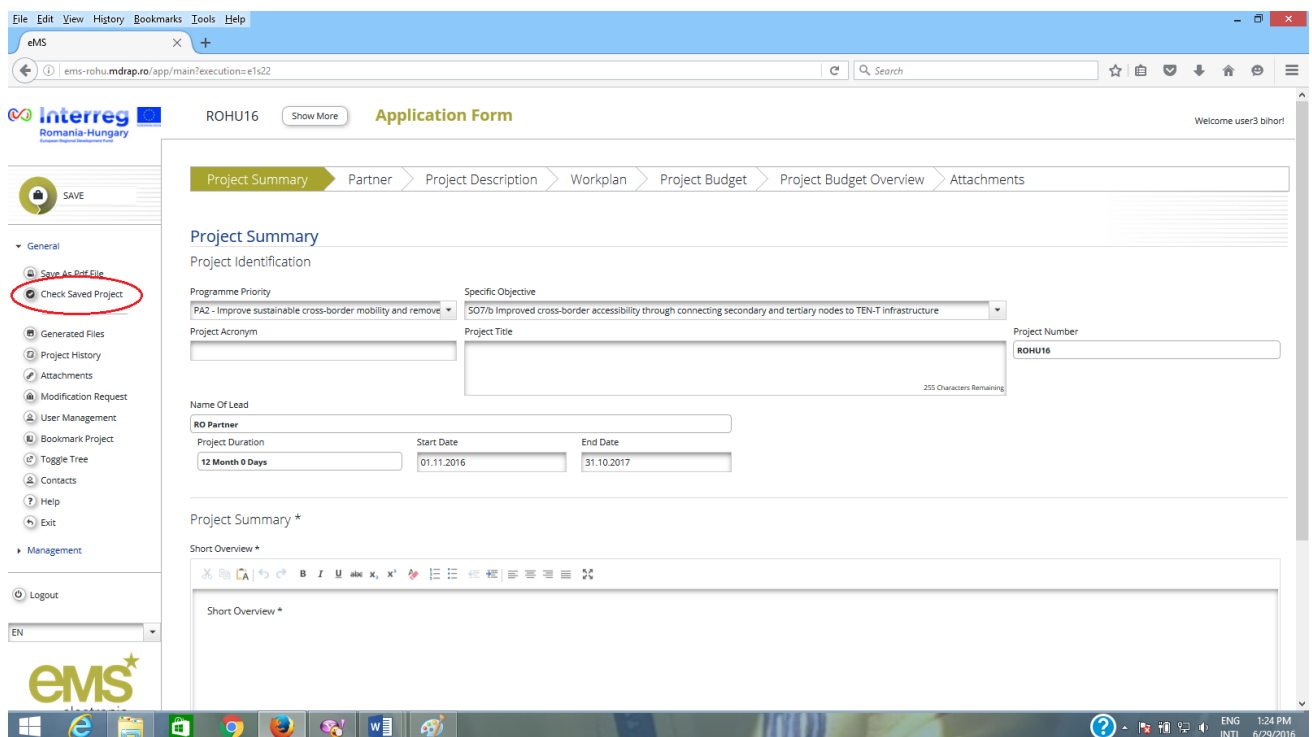

**Please verify the AF thoroughly!!!**

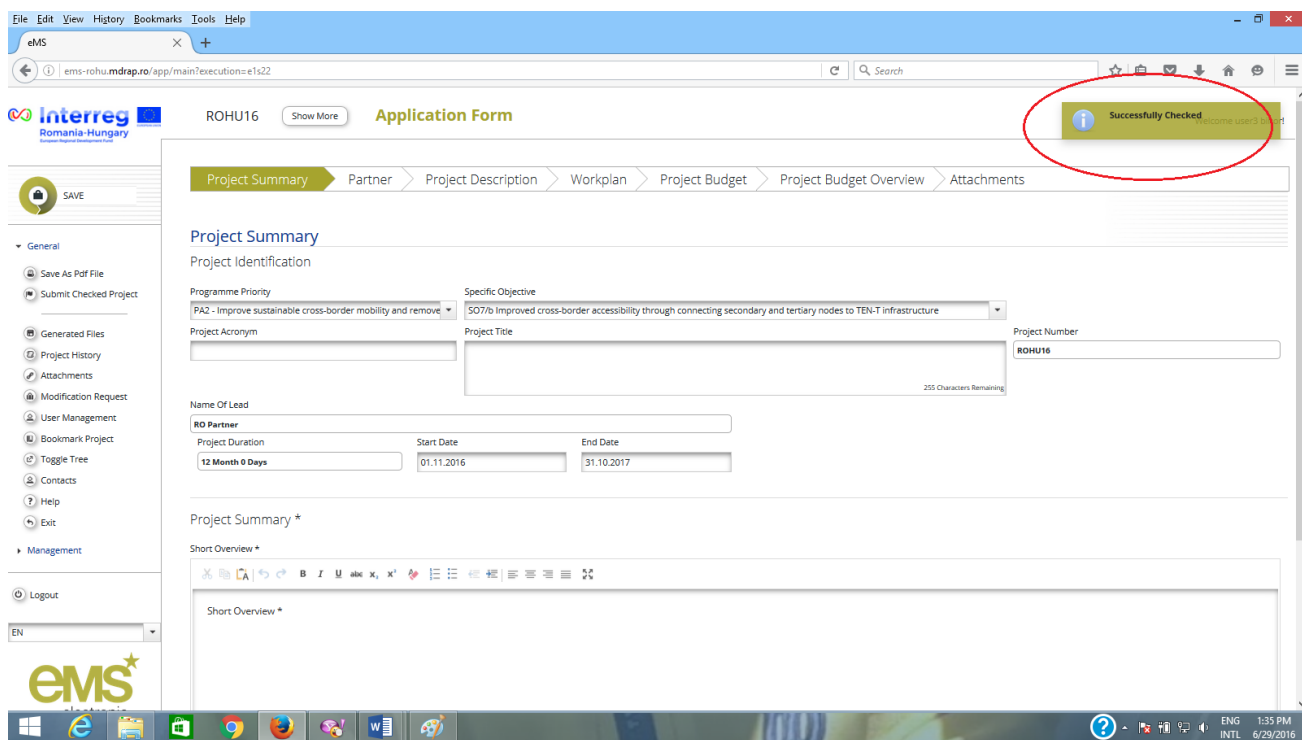

**Any mistake in filling in the AF observed after the submission of AF cannot be rectified and will lead to a lower score in assessment phase.**

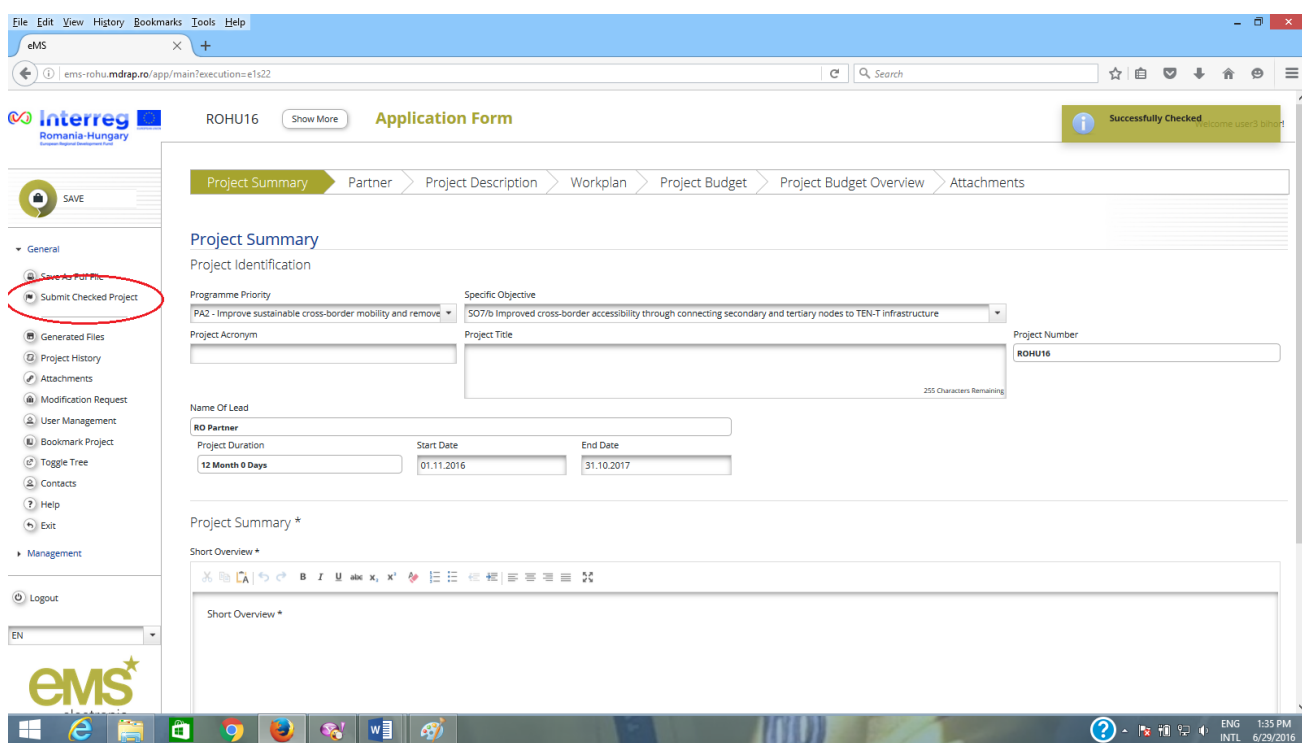

Before you are able to submit your application, you will need to click on **“Check Saved Project”** to activate the automatic checks. If any issues are found, such as missing or wrong data, you will need to correct this before you can save and check it again.

**Only after all checks are okay, you will be able to submit your application by clicking the “Submit checked project” button.**

If the application is successfully submitted the following message will be displayed on the screen:

After submission, you as the Lead Applicant will receive an automatic email confirmation.

**Once submitted you are not able to make further changes to your application.**

**Note: You can submit the application until the time and date of the call deadline, Bucharest time (EET). Please take time zone differences into account!!!**

After submitting the application the Lead Applicant will see the project status in the column “Project state” of the table “List Of Projects” as **Subm = Submitted**.

Now the application will enter in the assessment phase (Administrative and Eligibility Check) by the Assessment Working Group, while the Lead Applicant can check the status of the application in the eMS (*My projects* section) and answer to the clarifications send by the members of the Assessment Working Group.

**Please note that the clarifications will be send officially using the email section of the eMS as an attached letter of clarification and the Lead Applicant will respond only through email from eMS. Errata, amendments to the Application package which will be sent after the deadline without being explicitly requested shall not be considered.**

**We strongly advise you to keep an eye on your eMS email in order to be able to respond to any clarifications may be requested during the assessment phase!**

## ***PART F - Help and Technical Support***

For any problems you might experience with the eMS, please contact the Joint Secretariat at **[joint.secretariat@brecoradea.ro](mailto:joint.secretariat@brecoradea.ro)** or by telephone at +40 259 473 174 or +40 359 436 529 during office hours<sup>10</sup>.

**Please note that the JS has maximum two days to respond to your request after the receipt of your email or phone.**

**In case of specific errors we will forward your problem to the INTERACT team!!!**

---

<sup>10</sup> Office hours means between 9.00 – 17.00 (EET)

**The reporting form for errors (bugs) and malfunctions occurred in the system**
